
Brevard Rescue Mission to host luncheon

Brevard Rescue Mission will host its fourth annual "Women Who Care Share" ladies' luncheon from 11:15 to 1 p.m. on Friday, April 19, at the Hilton Melbourne Rialto. The event will highlight the work of the mission, which is to break the cycle of homelessness by providing homeless women with children housing and resources, which "enables them to achieve self-reliance in one to two years." Stacia Glavas, the founder and CEO, will also share a testimony from a former client who has achieved self-sufficiency. Because this is a benefit for the women and children of Brevard Rescue Mission, guests will be asked to make a donation during the luncheon. Event sponsorships are also available. RSVP to Ginny Whitley at 482-9596 or e-mail Volunteer@BrevardRescueMission.org. Further information can be found at www.BrevardRescueMission.org.
