

## Brevard Rescue Mission awarded Boeing grant

Brevard Rescue Mission, which provides transitional housing and support services for homeless women with children, was recently awarded a \$1,000 grant from the Boeing Employee Community Fund. The "Transporting Families to Financial Independence" grant will be used to support transportation service for the families to get to jobs, school, and medical appointments. Brevard Rescue Mission is privately funded by donations from individuals, civic organizations, foundations, churches and area businesses. Donated funds provide housing, education, transportation, counseling, medical care, parent training, household budgeting, tutoring, job training, food and clothing, and case-manager support services.
